

## **MANAGE ALL LEADING WEB PORTALS EASILY FROM ONE CENTRAL PLACE**

The Global Travel business is experiencing a new evolution and the Hospitality sector is intrinsic in these changes. One factor in this evolution is the increasing amount of reservations produced through the third party web

**How is your Hotel reacting in light of these new business changes?**

**Can your hotel still be competitive without participating in the most successful third party web sites?**

**Do your efforts produce the revenue you want or are those more time consuming than revenue?**

MICROS Channel Manager is offering your hotel representation in the most competitive third party web sites. It gives to your hotel a tool to manage your online rates in an easy and central way, where using one platform you can distribute your hotels' best rate to all the leading web portals.

MICROS Channel Manager is a user friendly tool that helps you with the complex and time consuming exercise of updating third party distribution websites.

MICROS Channel Manager is not only a Software - it is also service and consultancy. Over the years, our professional team has acquired the knowledge and expertise that can help you develop your content. We can give you the necessary guidance you need to manage your data and presence in the different Web sites.

MICROS Channel Manager can be easily integrated into your MICROS-Fidelio PMS. It connects to OPERA via myfidelio.net and it can be directly connected to Suite8 PMS as well.

**Let MICROS Channel Manager be your connection to the most powerful and leading websites in Europe and Worldwide!**
